THE ABUSE OF CHILDREN AND ADULTS WHO STRUGGLE FOR SURVIVAL AND THE CHALLENGE TO AVOID BLAMING THE VICTIM Unfortunately, many children in the United States are raised under less than ideal conditions. Many children are born to unwed mothers and never even know their fathers. Still others are abandoned by one or both of their parents when they are young. They often live in households subsisting below the poverty level where drug and alcohol abuse is rampant. Some are lucky and are taken to live with grandparents or other caring relatives. Others end up in foster homes that may or may not be much better. Even so, most continue to live in an environment where they are not properly cared for and many are neglected, abused and damaged, physically and emotionally. In this series of books the authors, using vignettes of actual case histories from their own professional experiences, chronicle what happens to children and youth who are abandoned or live in situations where they are unable to flourish and develop into contributing members of society. As the authors point...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
