Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Since I have taken upon myself to narrate the public and private life, and no small part of the deeds, of my lord and foster-father, the most lent and most justly renowned King Charles, I have condensed the matter into as brief a form as possible. I have been careful not to omit any facts that could come to my knowledge, but at the same time not to offend by a prolix style those minds that despise everything modern, if one can possibly avoid offending by a new work men who seem to despise also the masterpieces of antiquity, the works of most learned and luminous writers. Very many of them, I have no doubt, are men devoted to a life of literary leisure, who feel that the affairs of the present generation ought not to be passed by, and who do not consider everything done today as unworthy of mention and deserving to be given over to silence and oblivion, but are nevertheless seduced by lust of immortality to celebrate the glorious deeds of other times by some sort of composition rather than to deprive posterity of the mention of their own names by not writing at all.
