Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

BEAUTY AND THE BEAST TALES FROM AROUND THE WORLD (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Annotated edition. Language: English . Brand New Book ***** Print on Demand *****. Beauty and the Beast is inarguably one of the most beloved-if not the most-beloved fairy tale in modern times. While Cinderella is better known, Beauty and the Beast is most often voted the favorite among readers. The tale has definite literary origins. It was written by Madame Gabrielle-Suzanne de Villeneuve in 1740 as a novella length book. Villeneuve drew upon folklore for her inspiration as well as other literary predecessors. Her story was then adapted and rewritten by Madame Jeanne-Marie Leprince de Beaumont in 1757 into the version we most easily recognize today. The tale is part of a larger group of folktales-Animal Bridegroom stories-known in countless variations throughout Europe and Asia as well as Africa and the Americas. Starting with the story of Cupid and Psyche from the second century A.D. and continuing to modern times, Animal Bridegroom stories have warned and thrilled readers for at least two millennia. This collection offers over 180 Animal Bridegroom tales from around the world. Some of the tales are new translations, a few appearing for the first time in English. Whether you are a student of folklore or an armchair enthusiast, this anthology offers a diverse array of tales with a unifying theme that both entertains and educates, all gathered for the first time in one impressive collection.
