Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, Tall, Dark and Fangsome, Michelle Rowen, Sarah Dearly's positive attitude is waning. Perky and bubbly no longer describe her and frankly being a vampire is the least of her worries. Gideon Chase, leader of all vampire hunters, is being consumed by Hellfire and his only hope is that Sarah will bite him during a ritual under the full moon and turn him into a vampire. To ensure her help he has threatened to kill all the people she loves, inc. Thierry, her master vampire boyfriend and she has no doubt that he can and will do it. He has also demanded she break things off with Thierry and never see him again, which she pretends to do but it isn't easy to protect someone when you're forced to keep your relationship a secret. However Sarah isn't the pushover she used to be - in fact, she was recently cursed to be a nightwalker and when she removes the magical necklace that keeps her hungers in check, she's as dangerous as any blood-thirsty, horror-movie vampire and not just a girl-next-door with fangs. However, her nightwalker self is becoming dangerously attracted to Gideon. Can she cure herself of the curse in time to destroy Gideon and save her true love, so they can live happily together forever?.
