Throughout the world children begin to learn English at a wide range of ages. Some start at age 3 while others are much older, some need to learn the English alphabet and others are familiar with it. This textbook was designed for young children who are new to the alphabet. TYPES OF ACTIVITIES: - Children orally name a key word picture held up by the teacher - rewards of stickers, a stamp or drawn stars can be given to make the game more exciting. - Students are given one or two pictures. They hold up the picture when the teacher calls its name. Rewards can be given where appropriate. - Modified Bingo allows these young children to play the game with 9 choices instead of 24. - Enrichment Bingo captions are provided. - A Glossary of the basic vocabulary introduced is useful for teachers planning their own activities.
