

Lourdes Message Today (Paperback)

By Paul De Marco

Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bernadette, a poor, uneducated girl from Lourdes claimed to have seen apparitions at a rock face in 1858. On 25th February, she said that the lady had asked her to scratch at the ground and soon a spring appeared there and within days there were reports of miraculous healings at the grotto. After a lengthy investigation, the Church pronounced that the faithful were justified in believing that Our Lady had appeared at Lourdes. The medical team that investigated the cures stated that the phenomena they d observed were beyond the comprehension of the human mind. When Bernadette s remains were exhumed 46 years after her death, her body was still undecayed, prompting the physician to declare that this was not a natural phenomenon. To date, 69 miracles have been verified and 200 million people have visited the site since 1858. This book describes the life of Bernadette, but it also outlines the colourful events in the rich history of the time in which she lived, and it shows how much synergy there is with Fatima.
