Journaling/Personal Notes A journal is a written record of thoughts, prayers, inspirations, experiences, dreams, observations and revelations. Journaling can be done daily, or only whenever inspired. A journal is a form of a notebook in which regular writing is recorded. Journals help people clarify their thoughts. A leather-bound book, a notebook, a composition booklet or any other means of record keeping can be used to pen down important prompts. Personally, I have journaled for decades and it has been a wonderful inspiration to go back reading and remembering revelations and strategies in the word of God, as given by the Holy Spirit. I even jotted down personal prophecies, answers to prayer and other exciting things. As well as heartfelt situations I was blessed to walk through and overcome.
