

## Formations of Colonial Modernity in East Asia (Paperback)

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## FORMATIONS OF COLONIAL MODERNITY IN EAST ASIA (PAPERBACK)

Duke University Press, United States, 1997. Paperback. Condition: New. New. Language: English . Brand New Book. The essays in *Formations of Colonial Modernity in East Asia* challenge the idea that notions of modernity and colonialism are mere imports from the West, and show how colonial modernity has evolved from and into unique forms throughout Asia. Although the modernity of non-European colonies is as indisputable as the colonial core of European modernity, until recently East Asian scholarship has tried to view Asian colonialism through the paradigm of colonial India (for instance), failing to recognize anti-imperialist nationalist impulses within differing Asian countries and regions. Demonstrating an impatience with social science models of knowledge, the contributors show that binary categories focused on during the Cold War are no longer central to the project of history writing. By bringing together articles previously published in the journal *positions: east asia cultures critique*, editor Tani Barlow has demonstrated how scholars construct identity and history, providing cultural critics with new ways to think about these concepts in the context of Asia and beyond. Chapters address topics such as the making of imperial subjects in Okinawa, politics and the body social in colonial Hong Kong, and the discourse of decolonization and popular memory in South Korea. This is an invaluable collection for students and scholars of Asian studies, postcolonial studies, and anthropology. Contributors. Charles K. Armstrong, Tani E. Barlow, Fred Y. L. Chiu, Chungmoo Choi, Alan S. Christy, Craig Clunas, James A. Fujii, James L. Hevia, Charles Shiro Inouye, Lydia H. Liu, Miriam Silverberg, Tomiyama Ichiro, Wang Hui.
