RV Living: A Beginner's Guide to a Free Adventurous Life on the Road (Paperback)

By Scott McDougall

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Valuable Starter Guide For Free Adventurous Souls Have you ever felt drawn to the concept of -the open road-? Do you feel restless when you stay in one place for too long? Do you dream of traveling to different places, and waking up to new experiences every day? Are you ready for a life change, with the ability to go out on your own and pave your own path? These feelings are part of the core of living the RV lifestyle. A RV, or recreational vehicle, is the vessel for living a life of minimalism, adventure, and freedom. Motivations for RV living include the desire to save money, live simpler, travel more, consume less, and feel closer to nature. For some, it is simply a spiritual calling. For others, it s a lifestyle option found to be most suitable for themselves and their family. Whatever the reason for choosing this lifestyle, RV living comes with many rewarding experiences, as well as challenges. This book is meant for those interested in learning about living an RV lifestyle, or for...

Reviews

It becomes an incredible book that we actually have possibly study. It really is rally exciting through studying period of time. I am very easily could get a satisfaction of reading through a written book.

-- Gianni Hoppe
