By Pierre Bourdieu

Stanford University Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Confined in their governmental ivory towers, their actions largely dictated by public opinion polls, politicians and state officials are all too often oblivious to the everyday lives of ordinary citizens. These persons, who often experience so much hardship in their lives, have few ways to make themselves heard and are obliged either to protest outside official frameworks or remain locked in the silence of their despair. Under the direction of Pierre Bourdieu, France's foremost sociologist, a team of 22 researchers spent three years studying and analyzing the new forces of social suffering that characterize contemporary societies-the daily suffering of those denied the means of acquiring a socially dignified existence and of those poorly adjusted to the rapidly changing conditions of their lives. Social workers, teachers, policemen, factory workers, white-collar clerks, farmers, artisans, shopkeepers-no one seems to be immune from the frustrations of today's life, not to speak of the institutions of the family, work, and education. The book can be read like a series of short stories, which include: a steel worker who was laid off after 20 years...
