## Your Living Mind The Mystery of Consciousness and Why It Matters to You

By Roger Christian Schriner

Living Arts. Paperback. Condition: New. 350 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. An Adventure of the Mind An Exploration of the Senses Many people believe that consciousness occurs within the brain, but could this really be true For decades, scientists and philosophers have been struggling with deep puzzles about mind and body, puzzles that make it very hard to understand how conscious experiences could occur inside of our heads. This book opens a window into the intriguing story of this hidden conversation. If you liked Consciousness Explained by Daniel Dennett or Soul Dust by Nicholas Humphrey, or you have enjoyed readable books and articles about neuroscience, you'll enjoy Your Living Mind. Its a multifaceted meditation on being a brain, and an invigorating workout for both your intellect and your imagination. This book was written for several kinds of readers. Do any of these statements fit for you You want to develop a well-crafted personal philosophy of life. Understanding consciousness is part of that quest. You want to learn about yourself, to know who and what you are. You have been interested in the big questions of philosophy and psychology, and you'd like to revisit this sort of reflection. You have...
