

Find Your Happy!: 7 Observations from the Planet on Being Happy. (Paperback)

By Constance Stoner

Balboa Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dear Human Person, Whether you are a little person of only a few years, or a big person of many years, your life energy is precious in this vast universe! Every atom is accounted for, you are known. Once there was a tiny little pebble who didn't know they mattered on such a vast rock as this earth, inside this even more vast Universe. One day a little bird picked up the pebble and dropped him into a small glass of water. The little pebble raised the water level just enough that the little bird could finally get a sip of water. The little bird looked at the pebble in gratitude. Now, this little bird would have the strength to fly back to her nest and care for her little chicks. No matter what you do in your life, it will affect all other life, life you are aware of and life you are unaware of. Within you is a myriad of energized particles that collaborate and celebrate in their way your very existence. You will likely never see them, or...

Reviews

I actually began looking at this pdf. It is actually really interesting through reading time period. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you ask me).

-- Brayan Mohr Sr.

A superior quality publication along with the font used was fascinating to learn. I have read through and I am also certain that I am going to go through yet again in the future. Your life period will likely be enhanced the instant you total reading this publication.
