This book isn't a narration, although it describes a series of chronological experiences, it isn't a biography, although it contains part of the life of the author, it isn't an essay, although it contains proposals about life, it isn't a spiritual book, although it contains the Universal Spirituality, it isn't a magic book, although it will help you to do magic in your life to transform yourself completely. In the A. D. A. M. A. Diary and with the experiences of Miguel Angel, we can acknowledge the Truth, and with his example, we can gain strength to walk again along the Path that returns us to the Father.
