

Inside Hitler s Mountain: The untold story of the Eagle s Nest and the Fuehrer s secret headquarters (Paperback)

Filesize: 4.09 MB

Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

INSIDE HITLER S MOUNTAIN: THE UNTOLD STORY OF THE EAGLE S NEST AND THE FUEHRER S SECRET HEADQUARTERS (PAPERBACK)

[DOWNLOAD PDF](#)

Plenk, 2015. Paperback. Condition: New. 1. Aufl.. Language: English . Brand New Book. A first glimpse into the subterranean world of the Obersalzberg. Between 1923 and 1945 the Obersalzberg was transformed from peaceful mountain idyll into Nazi shrine, and finally became the Führer s headquarters . It was there that, for twenty years, Hitler s cataclysmic schemes matured into decisions and then specific orders. The traumatic impact of those decisions can still be felt throughout the world today. Even as the Third Reich was collapsing in ruins, its leaders prepared to take refuge deep underground. As early as 1943, work had started on a vast system of bunkers, which would enable Hitler to continue his rule from beneath this mountain. More than 3 miles (5 km) of tunnels, galleries and shafts were laboriously hewn from the solid rock, and by the middle of 1944 the Führer s secret headquarters was operational, and government personnel had moved in. But only a few months later an airborne armada of nearly 400 British bombers launched a massive attack on the Obersalzberg and reduced everything above ground to rubble. Later, Allied occupation troops forced their way into the mysterious depths of the Nazi stronghold and puzzled over the extensive labyrinth of 2-storey corridors. For six decades people could only guess at the actual extent, let alone the purpose of the partially collapsed tunnels. Hard information was lacking, and site-plans turned out to be inaccurate. Through an exhaustive research project involving painstaking detective work, the author succeeded in tracking down, and personally interviewing most of the men behind the Obersalzberg development. For many of them, it was the first time they had broken their silence about being implicated in the fateful Nazi regime. The author examines in detail the subject of air-raid protection in the...
