Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Robert Frost's Philosophy In His Poetry | Robert Frost is a wise poet-philosopher, who advocates not a rejection of life, but an acceptance of it with all its limitation. He loves the world and life in it, even though he often finds faults with it, quarrels with it as a lover often does with the women he loves. His quarrel with the world is a "lover's quarrel". In this book, an attempt will be to estimate Robert Frost as a poet, as well as philosopher by bringing out certain distinctive views on Nature, Truth, Goodness, Beauty and Love specially a philosophy of life, will be concentrated. The book has been to focus attention on these subtleties and bring out his artistic excellence as well as "the rich and ripe philosophy". Efforts will be made to the exiting level of knowledge about his poetry. Therefore, we would be justified in calling him a poet-philosopher. | Format: Paperback | Language/Sprache: english | 84 pp.
