

The Thing with Willie: Stories of Two Families (Paperback)

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

THE THING WITH WILLIE: STORIES OF TWO FAMILIES (PAPERBACK)

Bergamot Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. These wise, humorous, and poignant stories explore the parallel paths of two families, one white and one African American, as they confront profound historical developments of the twentieth century. The book opens with the Great Depression and its tragic impact on Willie, a black oysterman, and then moves back and forth in time to encompass the Galveston hurricane of 1900, New Orleans corruption in the 1930s, wartime Vietnam, and the Fourth of July millennium celebration on Galveston beach. These climactic events challenge and illuminate the lives of Sagstetter's buoyant and resourceful characters, including Laurena, a young jeweler in Oaxaca; Anna, a devoted chef in Galveston; Eva, a World War II ham radio operator; Speaker of the House Scott Preston, adrift in a dark gallery of Asian statues; Louis, a shoe salesman obsessed with gemstones; and Charlotte, an African American linguist. Largely set in the maverick culture of a Texas leavened by the fascinating influence of Asia, and written in lyrical prose, these stories stand alone, but together they consider the transformative power of beauty, human purpose embodied in work, and intercultural relationships that once embraced abide through the century.
