Beautiful Child of Mine is the sight of beauty from a first-time mom. Beginning with the look into one of God s creations and admiring every little detail the human eye can behold is absolutely amazing. The oohs and ahhs, cooing, babbling, smiles, frowns, cries, and laughter all go hand in hand. One can only imagine life as a mother pre-motherhood. To be able to hold and nurture a child that God has used you to create is truly a blessing. Loving that child from the moment you realize your womb is occupied is uplifting for both you and your child. As your mind wonders if baby will have dad s eyes or mom s feet, God is creating an original masterpiece. One that could never be duplicated. Hugging, kissing, holding, and singing to your newborn all equate to love. Love is needed and wanted by all of humanity whether we re aware of it or not. Introducing maternal love to your baby in the form of a simple touch, pamper change, or smile definitely starts their innocent life in the right direction. They can then go on and teach what has been taught to them. As you read, keep in mind that you also are a beautiful child! Blessings!.
