A DREAMER S DIARY (PAPERBACK)

Xlibris, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are reading this book, you are doing so because you were drawn by the title, design, colors, or maybe even someone s recommendation. It is, however, most likely that you were drawn by the part of you that knows no barriers, cannot be broken, will not be dominated, and always triumphs - the part of you that was designed to win, hit the mark, accomplish the task, make the goal, achieve in every thing you do. If you are not experiencing a satisfying level of personal success and achievement in every area of your life, it is, no doubt, due to the underachiever within you. Who or what is the underachiever? The underachiever serves as an inhibitor and represents the culmination of negative and false ideas and concepts that have attached themselves to your belief system. This includes but is not limited to any experiences or events that have caused you fear, pain, rejection, or abandonment. These kinds of experiences and events can produce obstacles, cause struggles, and create troubles in a person s life that hinder them from ever reaching their potential or becoming what they were designed to be. What most people don t realize is that they do have the power to move beyond these hindrances. All humans are born with the power to overcome their obstacles, endure their struggles, and outlast their troubles. They simply need to know how to activate and use that power. The most powerful inhibitor a person can have is an emotional inhibitor. An emotional inhibitor is a stronghold in a person s life that governs his mind and will. It keeps him from growing beyond the emotional gap that has been...
