Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WHAT S GOING ON HERE? There s only one way to find out: Shake the Mango Tree! Loris Harding and his brother Lars face bigger problems than most of us do. Multiple members of the Harding family and several of their wives and lovers have been murdered. War and espionage threaten the very existence of their country. One simple but powerful method exists for solving the murders and saving England: Shake the mango tree and see what falls out. By the time they finish shaking the tree, the deaths of Judah Harding, Gamaliel Harding, Eleazar Harding, Hoshaiiah Harding, Hillel Harding, and Hillel s beloved Muriel have been solved. Mostly. Sort of. But is everyone dead? And who was wearing the gorilla suit? What does the gorilla mask left in the Savoy Hotel mean? What does Sir Donald Badminton have to do with everything? Who is in charge at England s crackerjack security departments, MI5 and MI6? Is Ronald Alfred Norwood the agencies most cunning and powerful man, or is he a powerless idiot? Does Lord Whitley Gregory really exist? If Hillel is still alive, where is he? Why does Tomson order Hillel to kill Badminton? Why does Norwood order Lars to kill Loris? Why does Hillel want to kill Norwood? And why does everyone say that killing Norwood would be a bad idea? When Loris tells Badminton that Hillel . . . didn t want to be found in what could only be described as an awkward situation, his understated comment could be applied to every page of the non-stop action and scheming. As loyal readers of the earlier books will remember, heirs to Harding Hall have been dying bizarre deaths, one after another....
