If your knowledge about the Palestinian-Israeli conflict is fed primarily from the mainstream media from your local newspaper, the Associated Press wire, or maybe the New York Times or the Washington Post, CNN, MSNBC, or FoxNews-chances are that you are sadly misled and gravely misinformed about the Middle East crisis. The short essays in this book will open your eyes to some basic realities that have been safely kept away from you by a timid media unwilling to show you the harsh realities daily suffered by the Palestinian people and will illustrate through some startling examples how the media has repeatedly and systematically downplayed Palestinian suffering. The book will help you gain a better understanding of the subtle ways your opinions, feelings, and perceptions of the conflict are manipulated, and hopefully put you on guard next time you open your newspaper or turn on your radio or television.
