It s the end of the summer and Prodigal Daughter Maggie Crozat has returned home to her family s plantation-turned-bed-and-breakfast in Louisiana. The Crozats have an inn full of guests for the local food festival--elderly honeymooners, the Cajun Cuties, a mysterious stranger from Texas, a couple of hipster lovebirds, and a trio of Georgia frat boys. But when the elderly couple keels over dead within minutes of each other--one from very unnatural causes-- Maggie and the others suddenly become suspects in a murder. With the help of Bo Durand, the town s handsome new detective, Maggie must investigate to clear her name while holding the family business together at the same time. And the deeper she digs, the more she wonders: are all of the guests really there for a vacation or do they have ulterior motives? Decades-old secrets and stunning revelations abound in Ellen Byron s charming cozy debut, Plantation Shudders.
