The Senate and House of Representatives of the United States, the Memorial of James Smith, Agent of Vaccination Citizen, whose life is now taken by the Small Pox, may not justly be considered as a sacrifice to the most gross stupidity and ignorance or, otherwise, to our inexcusable neglect of the only proper or natural means, given by an all-wise Providence, to rescue mankind from it P The casualty or death by Small Pox of this or that individual, however valuable he might be to hiscountry or dear to his friends, would not be a matter of itself, so seriously to be complained of. But this disease is well known to be of the most contagious character; and has ever been distinguished as the most destructive plague a?iict ing the human race. On this account, above all others, we should encourage by every means in our power, the general use of the Kine Pock, which is the only possible safeguard to be set up against the propagation and spreading of the Small Pox, among us or any other People.
