Hacking the Digital Print: Alternative image capture and printmaking processes with a special section on 3D printing (Paperback)

By Bonny Pierce Lhotka

Pearson Education (US), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Don't bother reading this book unless you're ready to get your hands dirty. In Hacking the Digital Print, artist Bonny Lhotka redefines what it means to be a photographer. For one thing, you don't always need Photoshop to alter the reality you capture through your lens. In this book, you'll learn how to create unique images using tools you make and modify yourself. Lhotka shows you how to use analog distortion filters, custom textures, and lens modifiers to create images that look like you made them, not an app. You'll also learn how to re-create classic printmaking techniques using non-toxic digital alternatives, including a water-based transfer solution that's safe to use anywhere, whether it's the studio, classroom, or kitchen counter. Anyone can push a button and create a nice print—there is little challenge in getting a high-quality image out of a desktop printer these days. Lhotka shows you how to take your work to the next level by printing on materials such as wood, glass, plastics, and metal. For the truly adventurous, Lhotka shares her custom techniques for taking photographs...
