

Les Volcans de Java (Paperback)

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

LES VOLCANS DE JAVA (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. . Ce n est pas la paresse seulement, c est une terreur superstitieuse qui empeche les Javanais mahometans de gravir la cime des volcans: ils n aiment pas a quitter les regions basses, couvertes de champs de riz, au-dessus desquelles s elevent, comme des iles dans la mer, les pitons redoutes. Proteges contre la chaleur accablante des plaines dans leurs villages qui s abritent sous des bois de cocotiers et de palmiers, ils ne quittent jamais ces oasis de verdure pour aller respirer l air plus frais des hautes cimes. Aussi les crateres des volcans furent-ils le dernier refuge des sectateurs de Siva, quand les mahometans firent la conquete de l ile vers 1470. On y trouve souvent des ruines d anciens temples. L adoration des forces terribles dont les volcans sont le foyer devait naturellement tenir une grande place dans les croyances primitives de ces contrées, et le culte de Siva, la divinite de la destruction, y etait dominant. Le volcan Semeru, le plus eleve de l ile, etait appele le Mont-Sacre; le Sumbing, qui se trouve au milieu de l ile, etait le clou qui avait servi a fixer Java contre la terre. On trouve des restes de monuments religieux a des hauteurs tres considerables. Sur le plateau eleve qui forme le fond de l ancien cratere du volcan Dieng, il y a des milliers de blocs cubiques, debris des anciens temples. Ils etaient simplement formes par une suite de terrasses entourees de murailles, disposees en etages successifs sur les pentes de la montagne, et reliees l une a l autre par des escaliers.
