MHZ OUR ISLAND PROBLEMS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Mhz Our Island Problems Without undue pride, the American people should today clearly realize that the United States is far and away the most powerful nation the history of the world has seen. In population, in intelligence, in the accumulated wealth, which makes for success in peace or war, this nation far outranks in effective power any single nation of the ancient or modern world. The mere existence of 70,000,000 intelligent people, living harmoniously under one accepted government; seated securely in the single largest area of fertile land upon the globe; of a blood either inherited or assimilated, embodying the best virtues of a race that has made history for a thousand years; safe from all attack; abundantly prolific; pacific by disposition, yet of abounding self-respect - these and other characteristics of this people present a spectacle of national unity and power that should make every American citizen proud of his race and land. It should fill him with a just sense of the responsibility resting upon him as a member of the race that has heretofore, and must hereafter, shape the history of the world. Nor alone in intellectual and material strength does this nation outrank any Civilization of past or present times. Its moral strength is of a stamp and vigor that renders doubly effective the resources of land and intellect. This combination of physical resources, vast population and moral vigor, united in a new race whose veins are filled with clean, fresh blood - unlike the Latin peoples now tottering to the grave - present a phenomenon which the worn peoples and tyrannical governments of the European continent will do well to...
