Craig A. Jacobs, United States, 2011. Paperback. Condition: New. M Motorova (illustrator). Language: English . Brand New Book ***** Print on Demand *****. This is the tale of an author seducing his muse through the written word. Part verse novel, part anthology, it chronicles the romantic journey from infatuation to love and all of the emotional bumps in between. You ll follow the author as he writes of his inspiration from a hot air balloon high above Tahoe, to the sandy beaches of Camboriu, Brazil. Each daily installment builds the urgency of the affair until it finally ends in Russia on Christmas night. In the digital age of status updates and text messages this book is a contemporary throwback to the age of courtship, when love letters, poems and romance ruled. So set your status to away and get swept away in a book affair for an hour or two.
