You Are A Beautiful Angel Sent From God is a compelling story of resilience of the spirit. It is the story of a little girl who has a young life filled with trauma and abuse. It is the story of a young woman who launches a career in nursing and discovers new depths of compassion and caring. It is the story of a young family who moves to Alaska and finds their faith, opening their home to foster children and to care for little ones in need. It is the story of earthly angels who help them through troubled times. Finally, it is the story of memories lost and memories found. At age 62, one year after her mother's death, Jackie starts having memories that had not been in her awareness before. Tortured by the memories, she begins therapy. She is treated for chronic Post-traumatic Stress Disorder. What follows is a journey that is steeped in courage, a journey that leads to hope. May her story also bring hope to you!.
