Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Games and Play for School Morale: A Course of Graded Games for School and Community Recreation Community Service is the medium through which the residents of a community get together and really become members of that community with a consequent real interest in community welfare, prosperity and stability. Community Service is Citizenship. It promotes Americanization. It denotes Progressiveness. Any individual of the community with a real and active interest in the community is a better citizen. Community Service provides an opportunity for people to meet as folks, as neighbors representing no one but themselves, and the ideas they cherish most. The towering advantage of Community Service is that it is the one movement to which everybody can belong. Community Service is a community organized for service. This community has a real existence with a soul and personality of its own. The Community needs something to do as a community. Community Service is an antidote for idle time. The success of a person or a community is not determined by the number of hours they are busy, but by what they do in their idle time. Community Service offers every stranger who comes to a Community the glad hand, displays true friendship to them and shows that we as a community care for his welfare. Community Service promotes good will. There is no ritual for Community Service, just as there is no ritual for friendship. Friendship is a fact. Most men and women have a talent for it. Community Service organizes and develops that talent until it is made to render a world service. It makes the community a fact instead of a name. Peace Time service is a war...
