Brand New Book ***** Print on Demand *****.Gentle Lessons for a Recovering People Pleaser offers you remarkable, groundbreaking information; step-by-step instructions to identify life's purpose; and the tools to transform inner turmoil to the tranquility desired. A multitude of books are on the market to tell you what to do, but rarely do they give you specific steps on how to accomplish achieving peace in your life. This book offers both! People come into your life for a reason, a season, or a lifetime. Each has something to teach you, the calling to assist you, or the experience to give you guidance. As long as these wounds are unrecognized and repressed, we see life through the emotional lens of a child. With McDowell's knowledge, you will be able to recognize and release the pain, heal the past, and begin to see life differently. Ali McDowell, R.N., MA, Hypnotherapist, Teacher, Spiritual/Life Coach, and Ordained Minister, has forty years of teaching and counseling experience. She has held successful workshops on her process as described in her new book. She is a two-time cancer survivor and the author of *The Good News: It's Cancer*. She is as inspiration to all who know her. She lives in Tennessee with her husband and...
