Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.God never stops moving, it is men who stop believing and miss their destinies. God wants to release you to fruitfulness, multiplication and fulfilment. He s not sending you to some cave experience to mourn your days away until Jesus comes. People who know their destinies are vehicles of God s glory as it moves to fill all the earth. These are men and women who believe what God says of them, defy traditional patterns of thinking (strongholds) and archaic ways of doing things (cave-mentality) and the contentment of living in a small world (den), when there is so much waiting to be done. This is the time to restore, recognize, revitalize and repossess everything that God gave us to use. Satan knows a few things that we do not know, not because God has kept them from us, but because we have just not listened. There are works that God wants to perform through every believer. Works in the political, social or economic realms; and they will bring glory to His name. What the church has been preparing for, through prayers, fastings and outreaches, will begin to attract the attention of the world, like the time of Solomon s rule, when his wisdom, power and wealth caused many to come from afar. The glory of God will fill the earth before Jesus appears in the sky! GET READY. HIS GLORY HAS BEGUN TO FILL THE EARTH. ARE YOU PART OF IT?.
