

Worshipping the Myths of World War II: Reflections on America's Dedication to War (Hardback)

Filesize: 8.09 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

WORSHIPPING THE MYTHS OF WORLD WAR II: REFLECTIONS ON AMERICA'S DEDICATION TO WAR (HARDBACK)

[DOWNLOAD](#)

Potomac Books Inc, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. Is any war a good war ? In *Worshipping the Myths of World War II*, the author takes a critical look at what he sees is America's dedication to war as panacea and as Washington's primary method for leading the world. Articulating why he believes the lessons of World War II are profoundly relevant to today's events, Edward W. Wood, Jr., reflects on such topics as the killing of innocents, which became increasingly accepted during the war; on how actual killing is usually ignored in war discussions and reporting; on the lifetime impact of frontline duty, which he knew firsthand; on the widely accepted concept of the Greatest Generation ; on present criteria for judging war memoirs and novels; on the fallacy that the United States won the war largely on its own; and on the effect that the Holocaust had on our national concepts of evil and purity. His final chapter centers on how the war on terror is different from World War II-and why the myths created about the latter hide that reality.
