Problems of Public Health
Importance in Ethiopia
Community Nutrition

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Community Nutrition | Improving nutrition is essential to reduce extreme poverty. Since the images of drought & starvation have become inexorably linked with Ethiopia. Malnutrition can best be described in Ethiopia as a long term year round phenomenon due to chronic inadequacies in food instance combined with high level of illness. Children with severe malnutrition are at risk of several life threatening problems like hypoglycaemia, hypothermia, serious infection, & severe electrolyte disturbances....
