Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Letters to My Children is basically a christian based book about raising Godly children and all the challenges that come with that. It is a book comprised of 17 letters written to my children over the span of their teenage years. I wrote this book to encourage other non-perfect mothers out there doing their best to train their children the way they should, according to God s word. The letters share my heart, helping them through their struggles, teaching them good morals and guiding them through life s complications. It deals with all the situations your teenager will face, sex, dating, self-esteem, drinking, making good choices, being who you are meant to be, living up to your potential, boys, girls etc. Letters I feel are very real to what every parent deals with. The book is funny, real, encouraging and helpful to all mothers who feel they need help raising their kids.
