

Math Facts for Minecrafters: Addition and Subtraction (Paperback)

By Sky Pony

Skyhorse Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. This kid-friendly workbook features Minecraft video game characters to reinforce the development of first and second grade math skills laid out in the national Common Core State Standards. Learning math facts can be a challenge, but livening them up with colorfully-illustrated pages filled with blast potions, emeralds, zombie pigmen and other items found all across the Overworld can engage even the most reluctant of students. The curriculum-based content covered here includes lessons in: -Addition and Subtraction tables and reference charts -Addition and Subtraction up to 20 -Hundreds of sets to choose from for daily practice -And so much more! Learners of all levels will enjoy this exciting, skill-building math adventure. Perfect for Minecrafters who learn at all paces, Math Facts for Minecrafters is as fun as it is educational--and is just what your little learner needs to get ahead academically! This educational series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
