Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Prepper Pages: A Surgeon's Guide to Scavenging Items for a Medical Kit and Putting Them to Use While Bugging Out, not only teaches you how to build a comprehensive medical kit, but also the critically important medical and surgical skills vital to surviving a doomsday scenario. Why You Need This Book The Prepper Pages is an essential book for every Doomsday Prepper survivalist's library. It's the first survival medicine guide in a series published by Dr. Ryan Chamberlin, a retired trauma surgeon and current professor of medicine. In 250 easy to read pages, the book details how to scavenge easily found items in the environment to piece together a makeshift kit in the event you find yourself without one. While weaving that narrative through the pages, he goes on to explain the equipment and supplies you really want if you're constructing a kit from scratch. One designed to be multi-functional and capable of treating the widest range of ailments you're likely to encounter during disasters. But it's not just a book about supplies - it's a guide on how to treat illnesses definitively in desperate conditions - times when medical help won't be available. Literally the best prepper medical guide I have found yet! Well done! No nonsense and no beating around the bush. I feel as if I have learned something. - Steven Trumbo (Emmaus, PA) Full of truly useful information on where to get and, even better, how to use items in your emergency medical kit. This is one book that is definitely a must have! - Shar.
