

Gut-Brain Secrets, Part 1: Good Food, Bad Food: (Nutrition and Toxins in Food + Gmo s and Glyphosate) (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

GUT-BRAIN SECRETS, PART 1: GOOD FOOD, BAD FOOD: (NUTRITION AND TOXINS IN FOOD + GMO S AND GLYPHOSATE) (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Gut-Brain Secrets series tells you precisely how gut problems (bad bacteria, poor digestion, nutrient deficiency, and leaky gut) turn into mental health conditions (Attention Deficit Disorder, autism, GAPS conditions, and anti-social behavior), as well as most chronic, degenerative diseases, and autoimmune conditions. In Part 1, Good Food, Bad Food, you ll learn how microlife in the soil gives plants the nutrients your body needs to run exquisitely, overcome disease, and resist the aging process. On the other hand, modern factory farming kills life in the soil, depletes nutrients, and toxifies people and planet. This is the story of how the two systems (commercial/industrial agriculture vs. Nature and bio-friendly farming) produce food that either helps the body, or harms the body, depending on how it s grown. It s THE biggest factor in your health or your sickness today. Soon, you ll know the secret sources of each, so you can consciously invite more health into your life, while making your body inhospitable to dysfunction and disease.
