Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SIGMA PHI EPSILON JOURNAL, VOL. 8: DECEMBER 25, 1910 (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sigma Phi Epsilon Journal, Vol. 8: December 25, 1910 So far as I know I am the first and only 2 (i) E to take a hand in the extension of a work, in foreign lands, which has as its motive force and ultimate purpose the same ideals that we hold before us in our fraternity work. The privilege of being in a position to do something for the uplift and advancement of the people of this great land of China more than counterbalances any sacrifice I may have made to come here. You are not limited to any particular phase of the work. If you are thinking simply of making money you had better not try China unless you have good strong financial backing but there is a place in business, in educational work, general and technical, in medicine and in actual evangelistic work for the man who has imbibed the principles for which we stand to the extent that he can get out of his provincialism and see things in a world-perspective. To all such men I extend an inviting hand to come to this land and help instill into the hearts of the young men of China the ideals that we consider worthy of the young...
