*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I started the search for the perfect poem a long time ago now. I was in my late teens I think. I just suddenly felt inspired by everything around me. I was fortunate that at that time I had the opportunity to live in two different countries as part of my studies. My senses were bombarded by new sights and experiences and of course new sounds as I fought with two foreign languages. I think being immersed first in French and then in Spanish also gave me a greater appreciation for my own language and I started to experiment in poetry. I must have been writing something new nearly every day, as I have boxes of verses written on scraps of paper of all colours and all shapes and sizes. This collection really is just a selection. I left out so much. Early poems that have survived the test of time for me include THE LADY AND THE SOLDIER which I wrote in the back of a car passing through a tiny French village in the Pyrenees when I saw a war memorial and also FORGOTTEN TOWN about an abandoned village that had been flooded for the construction of a dam again in the Pyrenees. From my time in Spain in 1988-89 THE CITY OF THE SEA about the beautiful city of Cadiz is here. More modern offerings have been inspired by my move to Spain, COUPLE IN A DOORWAY for example and of course by my children - I have included one for each of them; DAVID AND I UP ON THE ROOF and SANDRA THE BUTTERFLY PRINCESS. Who doesn't feel inspired by their children? And...
