Bantam Doubleday Dell Publishing Group Inc, United States, 2012. Paperback. Book Condition: New. Reissue. 170 x 104 mm. Language: English . Brand New Book. Having barely survived a hair-raising archaeological dig in Tikal, Guatemala, Indiana Jones has returned to New York just in time to get caught up in a controversy. The mysterious writings of Colonel Percy Fawcett, a missing British explorer, have turned up, and what they describe could revolutionize historyand make or break several scientific reputations. For Percy paints a tantalizing picture of a lost city in the Brazilian jungle, and a mythical redheaded race who may be the descendants of ancient Celtic Druids. No one loves mystery or adventure more than Indiana Jones. So with his trusty bullwhip in hand and the lovely Deirdre Campbell firmly in tow, he sets out for the wilds of the Amazon. But Indy has more enemies than he knows, including a bunch of hard-nosed thugs and a cannibalistic Indian tribe that is out to make him instant history. And if he survives what they throw in his path, theres still the fabled city itself . . . where the inhabitants practice the magic of the "seven veils" and no one leaves alive!.
