

Jam with Carlos Santana: (Guitar Tab) (Paperback)

By -

Faber Music Ltd, United Kingdom, 1997. Paperback. Condition: New. Language: English . Brand New Book. Carlos Santana s instantly recognisable guitar style brought the rhythms of Afro-Cuban music to generations of people who might otherwise never have heard them. His soulful playing has inspired guitarists the world over for the last three decades, and continues to do so today. The combination of musical notation and guitar tablature in this book together with backing tracks on the CD gives you the opportunity to learn eight of Carlos tracks note-for-note and then jam with a professional session band. The track listing reflects some of Santana s most popular recordings, providing something for guitarists to have fun with and improvise with, as well as something to aspire to.

Reviews

This is the best pdf i have got go through until now. It is loaded with wisdom and knowledge I discovered this publication from my i and dad encouraged this book to find out.

-- **Aryanna Sauer**

The publication is great and fantastic. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i suggested this ebook to discover.
