## Prevent, Teach, Reinforce: The School-Based Model of Individualized Positive Behavior Support

By Kelly Wilson

Brookes Publishing Company. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 10.7in. x 8.4in. x 0.2in. Solve serious behavior challenges in K8 classrooms with this easy-to-use book, the first practical guide to the research-proven Prevent-Teach-Reinforce (PTR) model. Developed by some of the most respected authorities on positive behavior support, this innovative model gives school-based teams a five-step plan for reducing problems unresolved by typical behavior management strategies. With this thorough blueprint for PTR, education professionals will learn how to prevent behavior problems by adjusting the curriculum and environment; teach proactive communication skills; and reinforce prosocial behavior and academic achievement. This highly successful model is proven effective by research and field testing in real classrooms. PTR was shown to reduce behavior problems and increase evidence of social skills and academic engagement detailed and explicit, with five systematic steps that take educators beyond tips and strategies (see below) consistent with the popular positive behavior support approach and derived from the principles and many procedures of applied behavior analysis. Easily adaptable to the needs and goals of each individual student effective for a wide variety of students: typically developing students and those who have autism, learning disabilities, intellectual disabilities, emotional and behavioral disorders, and other challenges...
