Filesize: 8.84 MB

Reviews

It is an incredible ebook that we actually have ever study. This is certainly for all those who statte that there had not been a worthy of looking at. I am just pleased to inform you that this is the very best publication i have got go through during my individual daily life and can be he best ebook for possibly.

(Clarabelle Marvin)

THE TAR-AIYM KRANG (PAPERBACK)

Random House USA Inc, United States, 1987. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Moth was a beautiful planet, the only one with wings -- two great golden clouds suspended in space around it. Here was a wide-open world for any venture a man might scheme. The planet attracted unwary travelers, hardened space-sailors, and merchant buccaneers -- a teeming, constantly shifting horde that provided a comfortable income for certain quick-witted fellows like Flinx and his pet flying snake Pip. With his odd talents, the pickings were easy enough so that Flinx did not have to be dishonest . most of the time. In fact, it hardly seemed dishonest at all to steal a starmap from a dead body that didn t really need it anymore. But Flinx wasn t quite smart enough. He should have wondered why the body was dead in the first place.
