

Counting On Snow (Hardback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

COUNTING ON SNOW (HARDBACK)

Tundra Books, Canada, 2011. Hardback. Condition: New. Language: English . Brand New Book. Maxwell Newhouse, folk artist extraordinaire, has created a unique counting book. The premise is simple. He invites children to count with him from ten crunching caribou down to one lonely moose, by finding other northern animals - from seals to wolves to snowy owls - as they turn the pages. But as the animals appear, so does the snow, until it s a character too, obliterating light and dark, sky and earth. A gorgeous exploration of the isolation and the beauty of northern winter, Maxwell Newhouse has created a deceptively simple picture book that can be enjoyed by all ages.
