

C for Dummies, 2nd Edition

Filesize: 2.63 MB

Reviews

This publication is definitely not simple to begin on studying but really exciting to read. It is actually rally fascinating throgh reading time. Your life span will be enhance when you complete looking at this publication.
(Laurence Littel)

C FOR DUMMIES, 2ND EDITION

John Wiley Sons Inc, United States, 2004. Online resource. Condition: New. 2nd ed.. Language: English . Brand New Book. While (dead horse) beat (): If you re like most people, this seems like nonsense. Actually, it s computer sense C programming. After digesting C For Dummies, 2nd Edition , you ll understand it. C programs are fast, concise and versatile. They let you boss your computer around for a change. So turn on your computer, get a free compiler and editor (the book tells you where), pull up a chair, and get going. You won t have to go far to find your first program example. You ll do short, totally manageable, hands-on exercises to help you make sense of: all 32 keywords in the C language (that s right just 32 words); the functions several dozen of them; terms like printf(), scanf(), gets (), and puts (); string variables, numeric variables, and constants; looping and implementation; and, floating-point values. In case those terms are almost as intimidating as the idea of programming, be reassured that C For Dummies was written by Dan Gookin, bestselling author of DOS For Dummies; the book that started the whole library. So instead of using expletives and getting headaches, you ll be using newly acquired skills and getting occasional chuckles as you discover how to: design and develop programs; add comments (like post-it-notes to yourself) as you go; link code to create executable programs; debug and deploy your programs; and use lint, a common tool to examine and optimize your code. A helpful, tear-out cheat sheet is a quick reference for comparison symbols, conversion characters, mathematical doodads, C numeric data types, and more. C For Dummies takes the mystery out of programming and gets you into it quickly and painlessly.
