THE SHADOW OF MUFLAP (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.To us, first responders are heroes. But for them, risking their lives is a normal, everyday thing. Mudflap: Born the baby of the family, Mudflap has always had something to prove to emerge out of the shadows of his older siblings. He spent eight years as a Special Ops elite sniper and is now a firefighter. But at his heart, he's just a normal West Texas good old boy who loves his beer, women and football, until the Department of Defense calls him up to say they need his skills again. Shanae: Shanae is a first responder of a different sort. She's a trauma nurse who works on a medical evacuation helicopter team. But while she lives a life full of adrenaline every day, it's just a cover for her real life, where she hides in the shadows and is secret agent, Shadowfox for the Lubbock Foxtrot Team (LiFT). She's living the kind of life that most people think exists only in movies and books. Working for two different branches of the government, Mudflap and Shanae are in a race against time and the terrorists who threaten the very heart of West Texas life, football. They're working toward the same goal, but find themselves in a confrontation against each other and the lies they've each had to hide behind. Can love win out in the end or will the cost be each other and their very lives? First responders are heroes every day, but this story tells the tale of when they become even more and find love along the way. The key is for them to stay alive so that they can complete their mission and...
