Brand New Book ***** Print on Demand *****.The role of the Jews in our world is analyzed through the prism of Jewish intellectual identification. The well known halachic identification guides Jews in their internal spiritual life in a family and in a multitude of Jewish religious and social organizations. The intellectual identification steers the actions of the Jewish people in Gentile non-Jewish environment where they are building together with everybody else a better world for the entire society. The book is tracing the Jewish intellectual identification to the Torah. For many centuries theologians, archaeologists, historians and scientists have been trying to prove or disprove the truthfulness of the events described in the Torah/Bible. But from the point of view of the identification of the Jewish people, the truthfulness of the events described in the Torah is irrelevant. Even if all the events described are a figment of the people s collective imagination, this imagination shaped the Jewish people, made them unique, and defined their spirituality, which also is the identification of these people. And the book describes this identification. The book is tracing the Jewish intellectual identification to the individual freedoms for everybody the fight for which began at the time of the Exodus from Egypt. In the course of Jewish history individuals have been identified as Jews by external forces - rabbis or anti-Semites. A Jew was a kind of invisible label affixed to an individual regardless of the desire and spirituality of the individual himself. This book explores the Jewish identification not as the verdict of these external forces, but as the conscious decision of the individual himself based on his intellectual understanding of the history of the Jewish people and their unique...
