THE VIRTUOSO (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What is the main theme of this book? Well, one could suspect that it was about music, but that would be only partially correct. Or about prostitution since the story is laced with Sophia and Aunt Clara, two ladies that are in the business? Well, not so again. Perhaps What shouldn't be the question anyway. Perhaps who is the question we should explore? Who are the characters that bring our story to life? Romance? Absolutely! Love? You betcha. Hmmm! Sounds familiar, like hasn't someone else written this stuff? Of course! I think one of those stories was, War and Peace, or Romeo and Juliette. They're not my stories, of course. Then what makes my story different? Only about 130,000 words, plot, sub-plots, characters and of course, the author's name. Of course, my story is my story and I want to make it your story. Our protagonist, Jack/John Dupree is a guy with hopes and dreams and notions about life that place him outside the cookie cutter image. It's also about a woman, a very attractive woman, Sophia Berry and she is a prostitute. But she is so much more than a hooker. She is a person and like our favorite virtuoso she has human qualities and frailties that make her special. We will explore their lives and the less than simple threads that bind them in a world that so often appears simply black and white. We will not be just spectators from our comfortable armchairs, but drawn to know them in very special ways. Ways...
