Luke is just one relic away from opening the doorway back to his own world and taking his parents away from the terrors of Scream Street! But the final search threatens to plunge him into the most dangerous adventure yet. With the help of Resus and Cleo, Luke is desperately hunting for the claw of a werewolf--and in the process he learns something most unexpected about Samuel Skipstone, the author who has helped them so much on their quest. The secret to opening the exit, he learns, is collecting six powerful relics the founding fathers left behind. But with a sinister landlord determined to thwart Luke at every turn, can he find the keys before hes scared to death?
