LIGHT-YEARS IN THE DARK: STORYPOEMS

[DOWNLOAD](#)

CrowsnestPublishing.com. Paperback. Book Condition: New. Paperback. 126 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. The epigraph from Virginia Woolf's novel *To The Lighthouse* sets the tone for Todd Crawshaw's strange, daring, and beautiful collection of StoryPoems, *Light-Years in the Dark*. Meant for those who seek inspiration and the meaning of life, the book takes readers on a vital metaphysical and spiritual journey through both darkness and light. A StoryPoem, defined by the author, is a hybrid genre of poetry and short story inspired by Cranes' *The Black Riders* and Other Lines and Debussy's *Preludes for Piano*, where each concise piece is a cosmos, a distilled symphony. In *Light-Years in the Dark*, Crawshaw has invented a magical world that is elaborately imaginative, often haunting, and bursting with stunning imagery. An alternate universe alternating between lightness and darkness, a yin-yang composition of interacting forces, this collection is analogous to a rich assortment of light and dark chocolates contained in a box: each is meant to be savored slowly, carefully ingested, in a quiet space that allows for contemplation and reflection. Some short, others long, these are tales about a variety of characters, ideas, and emotions: a two-headed man, a woman of incomplete mind, a man whose life is a blur, a performing artist haunted by spirits, a waste collector who discovers a baby, an inner-city history teacher, a terrorist, and survivors. They are also about love at first sight, reflections, prophesy, amour, immortality, magic, omniscience, seduction, fear, warmth, life, death and epiphany. For more information visit www.toddscrawshaw.com. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
