Excerpt: .and by producing a blister filled with little eggs, cause the most painful sensations, which, if the sympathetic swelling of the inguinal glands is neglected, are often followed by mortification. The blister, as soon as it gives pain, must be carefully removed, and snuff rubbed into the wound. Besides these, the inhabitant has often other enemies in his house. The white-bellied ant (cupim, termed fatalel, a great number of blattas, and other vermin, continually oblige him, by their destructive fury, to make new arrangements. The former cause the most terrible devastation wherever they pass in their course; for, metals excepted, they gnaw through every thing; and in a few days, the beams of the house are rotten; the linen, books, and all the household furniture are destroyed. The blatta commits great destruction among the vegetables in particular, and, in the night, even attacks the tips...
